FROM: Bike Austin Education Fund
SUBJECT: Proposed Road Closure on Jamestown Drive, between Payton Gin Drive and Fairfield Dr.

The Bike Austin Education Fund will be hosting a Ciclovía on September 30, 2017. Ciclovías are free festivals, born in Bogota, Colombia where the community wanted to showcase that the streets are for the people of the community and to entice participants to bicycle, walk, and explore their community while experiencing the health benefits of an activelifestyle.

The Bike Austin Education Fund is requesting a street closure permit from the City of Austin, in order to close Jamestown Drive (between Payton Gin Dr and Fairfield Dr) to vehicular traffic. All are encouraged to attend the Ciclovía, so stop by for a day of activity, food, and family fun. Please bring your bike, as bike mechanics will be on hand.
